Collier County CISM Team**

**May 25th and 26th, 2010
8:30am – 5pm**

**Training Location
Golden Gate Fire Station #73
14575 Collier Blvd, Naples, FL**

Class Description

Designed to provide participants with the latest information on critical incident stress management techniques and post-trauma syndromes, the Advanced Group Crisis Intervention builds on the knowledge base which was obtained through the Group Crisis Intervention workshop and/or in publications. At the conclusion of this workshop, participants will have been exposed to specific, proven strategies to intervene with those suffering the ill effects of their exposure to trauma. Emphasis will be on advanced defusings and debriefings in complex situations.

This workshop is designed for EAP, human resources and public safety personnel, mental health professionals, chaplains, emergency medical services providers, firefighters, physicians, police officers, nurses, dispatchers, airline personnel and disaster workers who are already trained in the critical incident stress debriefing format. It will also be useful for those working extensively with traumatized victims for various walks of life.

This workshop requires previous training and experience. ICISF's "Group Crisis Intervention" should be viewed as a prerequisite.
